

# CHECK YOUR UNDERSTANDING!

## What Is the Fourth of July?

The Fourth of July is a holiday that celebrates the birthday of the United States. On this day, we remember when our country became independent on July 4, 1776. Many families celebrate by spending time together, watching parades, enjoying picnics, and watching fireworks. It is a day to celebrate our country's history, freedom, and the people who have helped make the United States a special place to live.
